Who are we?

Ponteareas is a municipality and a town in Spain. It belongs to the province of Pontevedra, in the autonomous community of Galicia (Spain).

Corpus

The Corpus is celebrated every June. It is the most important celebration in this town. The festivity stands out for the spectacular floral carpets that are prepared for the solemn procession that takes place on Sunday. During the night before, all the residents of the town participate in making the delicate multicolored tapestries that will cover the streets where the religious procession will pass the next day.

The Plaza Mayor has its origins in a concession from Fernando el Católico to thank the Sarmiento family for their loyalty.
