

Hi I´m María Agustina
Sarmiento and I live in
Ponteareas

PAZO OF SARMIENTO

I grew up on this castle,
when I was older I went to
Madrid to help the Royal
Family. Velázquez, a famous
Spanish painter draw me on
one of his paintings.

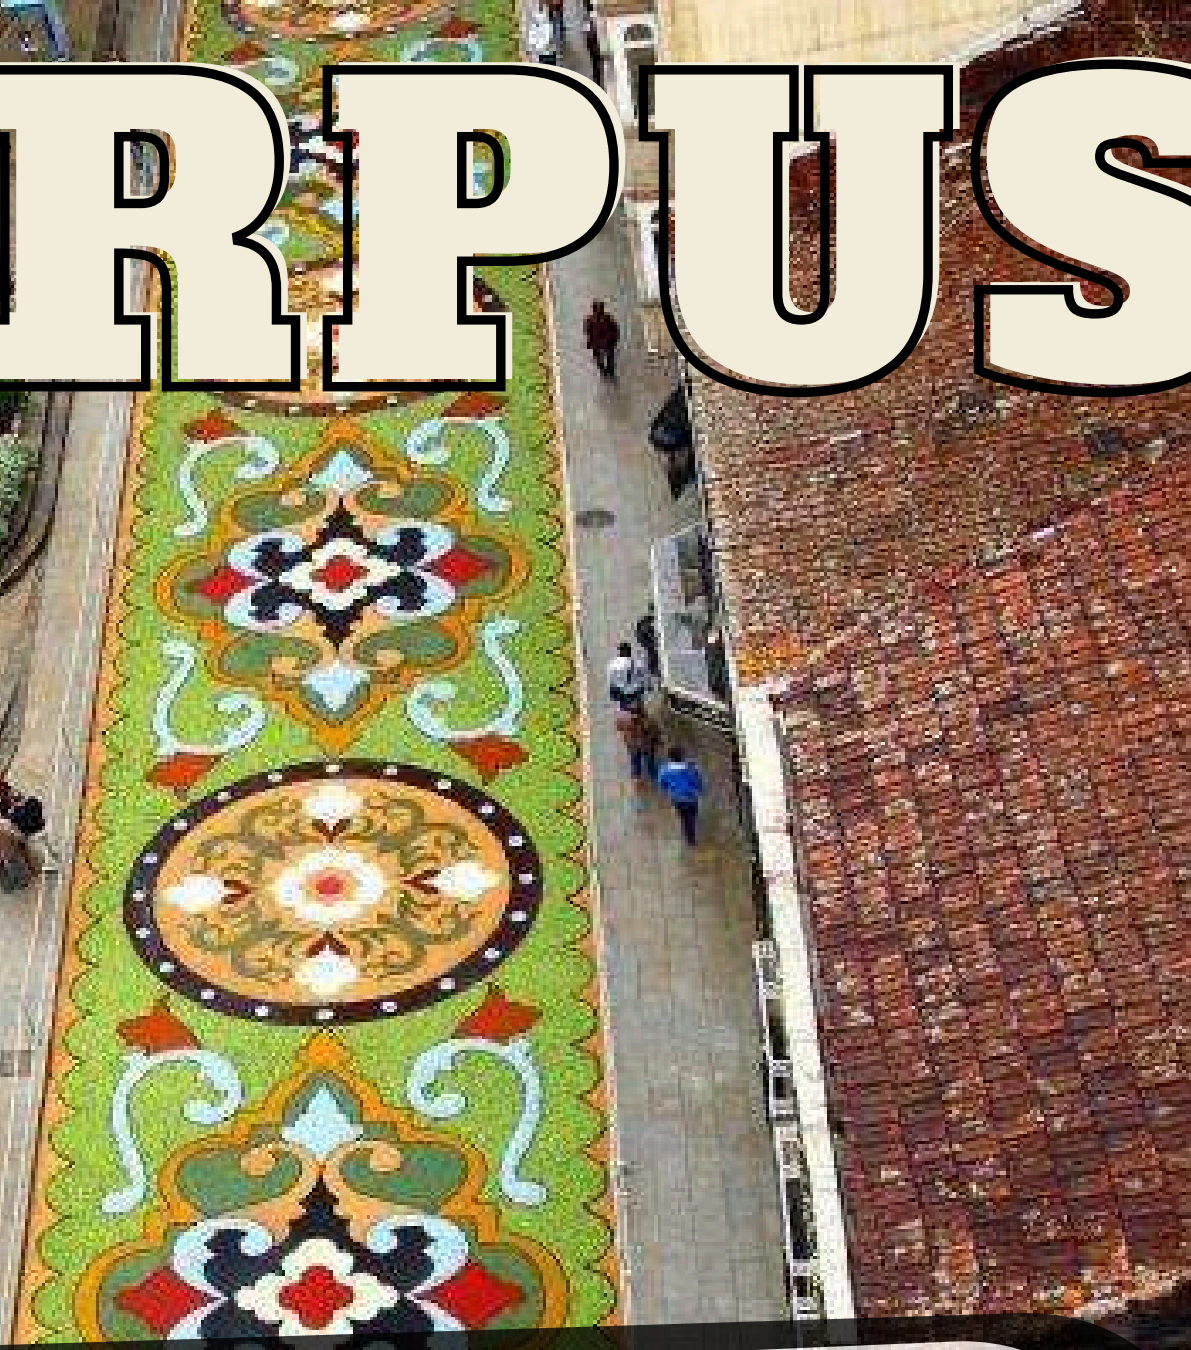

Ponteareas grew when the Catholic Monarchs granted a fair, which was located in this square

When I want to go out with my friends we usually meet at the church's main square

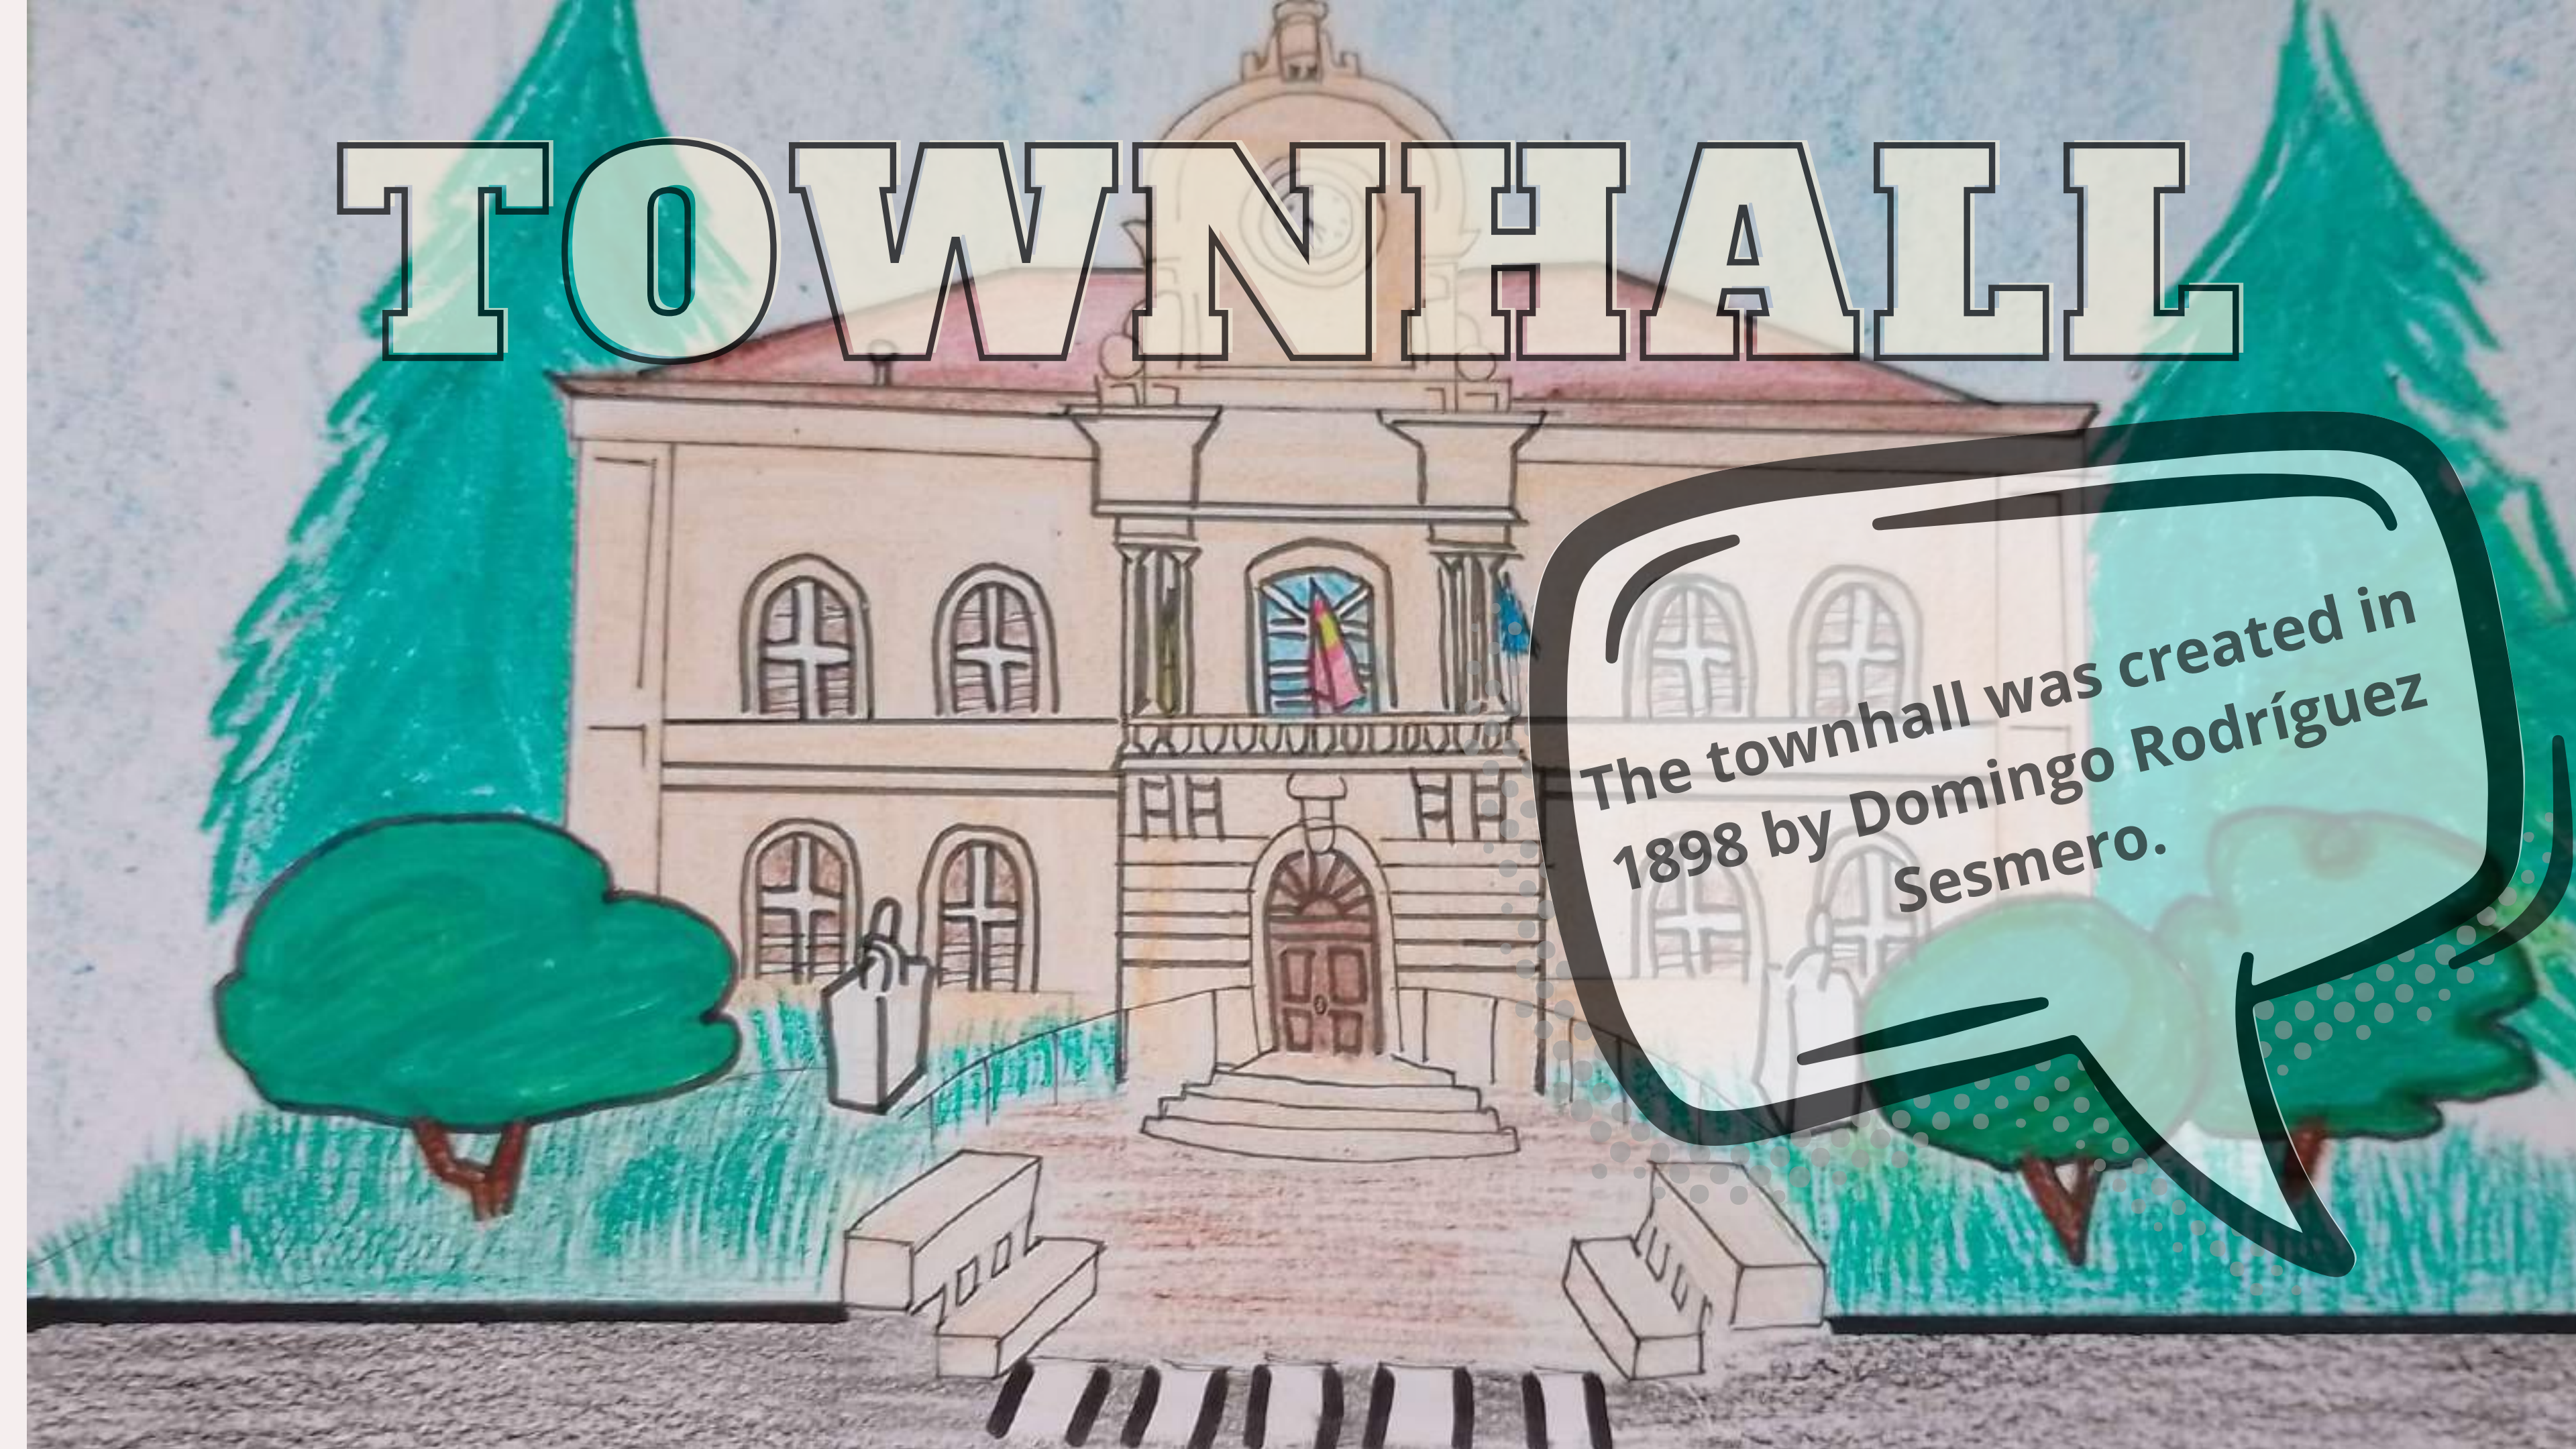

CORPUS

The most important festival in my town is Corpus, which consists of making carpets with flowers on the roads, which are usually very colorful.

TOWNHALL

The townhall was created in 1898 by Domingo Rodríguez Sesmero.

**See you soon in
